Subject: San Jacinto Center Renovation Update

Hello – we are touching base to let you know the renovation work is going well.

As a reminder regarding the Parking Garage Shuttles, we are asking for your cooperation in entering and exiting the carts at the designated stations on G1, G2, and G3. In order to maximize the number of trips our Shuttle Drivers can take each afternoon, our Drivers are unable to accommodate dropping customers off at their cars in the garage.

Five lucky building customers chosen at random have been the recipient of Forthright gift cards. Congratulations and more surprises to come!

Lastly, we remain available for your feedback and questions - your continued patience is greatly appreciated.
